As an AI Engineer intern, I developed and deployed machine learning models, collaborated on data preprocessing and optimization, and integrated AI solutions into existing systems. This role, detailed in my portfolio, honed my skills in Python, TensorFlow, and collaborative project development.

Work Experience

AI Engineer

University of Peshawar - Peshawar

May 2024 to May 2024

Completed an AI Engineer internship where I developed and implemented machine learning models to solve real-world problems. Worked with Python and TensorFlow to create, test, and deploy predictive algorithms. Collaborated with a team to preprocess data, optimize model performance, and integrate AI solutions into existing systems. This experience, detailed in my portfolio, enhanced my skills in machine learning, data analysis, and collaborative project development.

Education

Bachelor's degree in Computer science

University of Peshawar - Peshawar

September 2021 to September 2025

Intermediate School Education

Jahanzeb college swat - Swat

July 2017 to July 2019

Skills

- AI engineer
- TensorFlow
- Python
- PyTorch
- Scikit-learn
- Data analysis skills
- C/C++
- Project Management
- Java

Languages

- Urdu - Expert
- English - Beginner
- Pashto - Fluent
